HANDBAGS AND GLADRAGS

TIMOTHY HAN, former assistant to John Galliano, remains in good company. His delicious scented candles, made up of pure aromatherapy essential oils, have made it into the goodie bag for this year's Baftas. Presented to nominees including Charlize Theron, Judi Dench, Rachel Weisz, Reese Witherspoon and Ziyi Zhang, as well as all their leading men, the coveted bags will also carry Furla handbags, a Motorola phone, American Airline first class plane tickets, Lancome beauty bits, diamonds from Steinmetz, a Nicky Clarke haircut and Taittinger Champagne. Oh, to be famous... The Baftas are scheduled to take place on February 19. (February 2 2006, AM)
